

## Product Specification

Trade name	<b>BioActive Ethyl Vanillin</b>	INCI Name:	Ethyl Vanillin
CAS #:	121-32-4	EINECS:	204-464-7

Items	Specification Range
Appearance	Fine white or slightly yellow crystal, odor of strong vanilla
Identification A (Infrared spectra)	Conform
Identification B (UV)	Conform
Assay, %	≥ 99.0
Melting Range, °C	76-78
Loss on drying, %	≤ 0.5
Residue on ignition, %	≤ 0.05
Ignition residue	≤ 0.05%
Heavy metals (Pb), %	≤ 0.001
Arsenic, %	≤ 0.0003
Solubility, %	1g dissolves in 100ml water at 50°C, or in 5ml 95% ethanol.

**Packaging:** Packing in 25kg drums

**Shelf Life:** 24 months

**Storage:** Not above room temperature, in unopened container. Protect from sunlight.
